

PLEASE READ CAREFULLY!

Attached you will find the lists of the girls that will be joining the Alexander Cheerleading Program for the 2019-2020 cheerleading season. The coaching staff would like you to know that the teams were chosen based on talent, logistics and some factors that we thought would be best for each girl individually and for the program as a whole. As always, we did our best to maximize the amount of girls we were able to place on the teams.

Congratulations to all the girls and as always, if you do not see your name on any of the squad lists, please continue to work hard and come back out next year.

For those that do see your name, there will be a **MANDATORY** meeting for all girls and their parent/guardian on April 16th at 7pm in the AHS old gym (where tryouts were held) and fittings will be April 23rd in Coach McAdams room (206). Please make sure you bring a blank check for ad sales (more explained at the meeting).

Again, please know that these decisions were not easy and that all decisions are now final.

Please direct all **questions** to Coach McAdams at lora.mcadams@dcssga.org and I will get back with you as soon as possible.
